

Ancient Civilizations Student Event Sheet

What was your favourite station and why? What did you learn?

At the event today you learned about what was happening around the world, but what was happening in our area? What was happening with the Haudenosaunee?

1. What games did they play?
2. What did they eat? How did they grow their food?
3. What was their religion?
4. What special knowledge or achievement did they have?
5. Did they have weapons or armour?
6. What was their government structure? Was there a hierarchy?
7. What did their buildings look like?
